

Nero Express 6 Burning Instructions

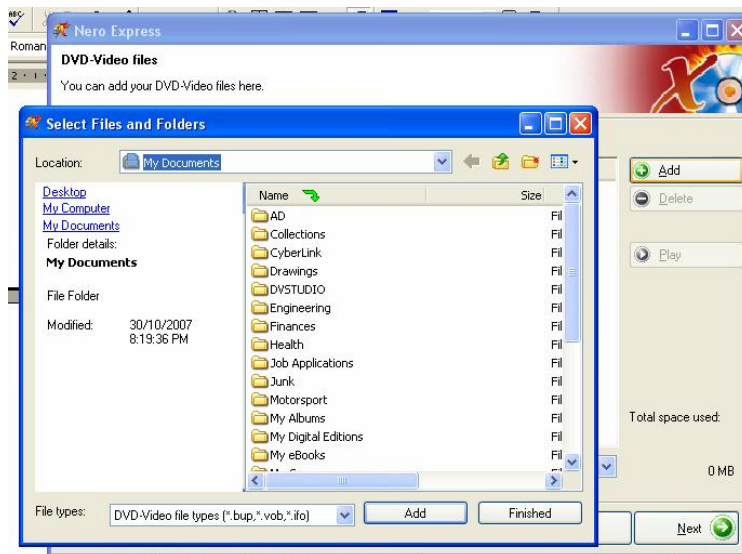

1. Open Nero Express 6
2. Go to the drop down menu at top right and select the DVD drive with [DVD] next to it

3. Select DVD-video files

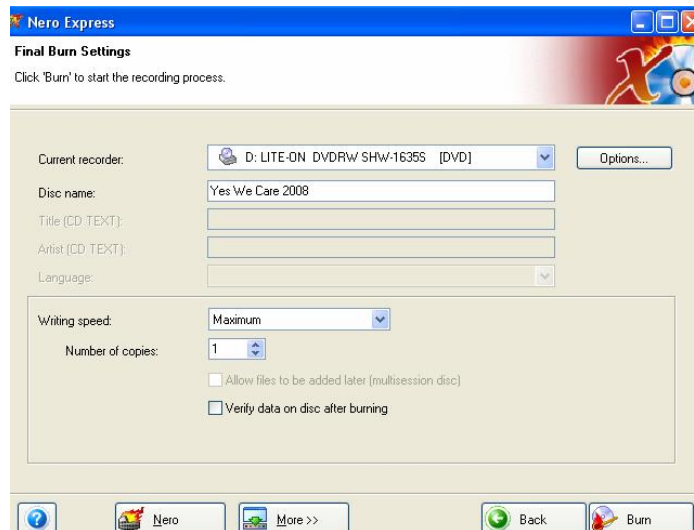

4. Click “Add” on the right hand side of the screen and select the ‘Audio_TS’ and ‘Video_TS’ folders but not the Yes We Care DVD folder itself from the unzipped downloaded folder.

Click Add then Finished on the bottom right.

5. Check the settings and type in the title of the disk as ‘Yes We Care 2008’

6. Click burn to start the burning process.
