To Whom It May Concern

**Message from the Lord Mayor of Brisbane**

I am pleased to express my support for BrizNet's *Yes! We Care*, campaign.

*Yes! We Care*, has become an important event for Brisbane, and is fast becoming known as "Queensland's Biggest Neighbourhood Blitz".

Briznet has achieved a great deal in Brisbane through this annual program, working across the city to help residents with basic home repairs and maintenance. *Yes! We Care*, is part of the National Day of Thanksgiving, which brings together more than 1200 communities across the country in a spirit of good will.

Brisbane strives to be a caring and inclusive city with a strong focus on community building and community service. Brisbane City Council is proud to partner with initiatives like *Yes! We Care*, to help make improvements to the lives of people in our community.

I have seen the benefits that this program has brought to people in Brisbane and I am pleased to recommend this initiative to other cities and communities in Australia.

Yours faithfully
